Making A Difference Everywhere

LIPA

THE LIVERPOOL INSTITUTE FOR PERFORMING ARTS

On 26th March we performed an interactive piece about experienced that Care leavers have with transitions. **Now we are coming to share this performance in Knowsley!!!!**

Could you learn from what Young People have to say about your service and make a difference to their situation?

Then a group of Care Leavers and Looked after Children invite you to attend.....

TRANSITIONS

WHEN? Thursday 11th June 2015
WHAT TIME? 5.30pm (Refreshments available from 6.45pm)
WHERE? The Venue, Huyton Village

WHAT IS IT? 'Transitions' is a drama based project in collaboration with LIPA, Liverpool City Council, Knowsley and the Wirral. It explores the issues surrounding the Leaving Care transition as seen by the young people. The performance will highlight what works, what doesn't what needs to improve.

WHO SHOULD ATTEND? The performance is a great opportunity for anybody who works with or provides services for Looked after Children, Care Leavers or is connected to the Leaving Care process to engage in a dialogue with the Young People across Merseyside; to see and hear for themselves the young people across Merseyside for whom they govern, write policy and provide services.
